

Five Year Limited Warranty

Reliance Controls Corporation ("Reliance") warrants this Protran® Manual Transfer Switch ("Switch") to be free from failure to perform as intended due to defects in materials and workmanship for a period of five (5) years from date of manufacture, provided the Switch has been installed and used in accordance with manufacturer's instructions and has not been subjected to misuse, alteration, accident, or repair not performed by Reliance. If, within such warranty period, the original purchaser gives written notice to Reliance at the address shown below and the Switch has been proven to Reliance's reasonable satisfaction to be defective, then Reliance at its sole option shall either: (i) supply a replacement component(s) for the defective component(s) or (ii) repair or replace the Switch. Reliance's obligation is strictly limited to said repair or replacement of the Switch, and Reliance shall not be liable for any incidental, special or consequential damages. The cost of labor to remove or install a replacement component or Switch is not included in this warranty. The foregoing warranty is exclusive and in lieu of all other expressed or implied warranties, if any, including but not limited to implied warranties of merchantability and fitness for a particular purpose. Reliance strongly recommends that the purchaser seek the advice of a licensed electrician to determine the suitability of this product, and for its proper installation in accordance with all applicable state and local building codes. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.
